## MR. PLANT'S VIEWS.

Mr. Plant's party only made a flying trip to Ocala this time, but are expected back next Tuesday, when it is expected something definite will be learned.

A great deal of excitement prevailed today in town over the advent of so many big officials.

Mr. Plant took Mr. Agnew in his carriage and had a long talk with him. Mr. Agnew said he could not give the result of it, but that it was very good, and meant much good to the future of our fair city.

We learned this much: that another track will be laid by the Florida Southern depot, and in all probability a fine new depot built near the site of the present small one.

J. L. Smoak's shop is the best place in town to get your wagons and carriages repaired and painted. He has one of the best painters in the state and guarantees satisfaction in all work. It will be to your advantage to call and examine his painting before having your buggy painted. His prices are suited to the hard times.
